

PRIVATE EQUITY PORTFOLIO COMPANIES

WITH A MELBOURNE HEAD OFFICE

WE HAVE OUTLINED BELOW 24 NOTABLE COMPANIES WITH A MELBOURNE HEAD OFFICE THAT ARE BACKED BY A PRIVATE EQUITY FIRM.

Finance professionals want to work for a company that is growing and profitable. Private equity companies have a track record of acquiring a company, achieving their growth objectives and then listing or selling the company, both resulting in tremendous returns. As you plan your career, private equity backed companies with a Melbourne head office will often provide excellent career paths in accounting.

At ThompsonCook we only do one thing - we recruit accountants for leading Melbourne companies. Let's chat if you want career advice, salary guidance or an update on jobs that may be suitable.
